When visiting the University of South Florida you will need a parking permit. You may purchase a visitor parking permit at the USF main entrance off of Fowler or at the Parking Services Building off of Fletcher. Or you can pay by the permit pay stations located around the campus. Parking fees and policies can change due to the updates within the University. Please check the Parking Services Website (http://usfweb2.usf.edu/parking_services/visitorpermits.asp) to make sure all information remains accurate.
